## ANDOVER IN CIVILIAN DEFENSE

---

In common with other towns and cities in New Hampshire Andover has set up an organization for Civilian Defense, to act in whatever emergency may arise as a result of our country being at war.

It will be the duty of this organization to function in the event of air raids in this part of New England, to warn the townspeople of such raids, to enforce blackout orders from the War Department, to be on duty during raids, and to perform such services as may be necessary if any damage is actually done in Andover.

The personnel of the Local Defense Council is as follows: Chairman, Defense Coordinating Committee,

Public Safety Chairman,	Albert J. Sanborn
Chief Air Raid Warden,	Victor E. Phelps
Auxiliary Fire Chief,	Robert K. Stanley
Auxiliary Police Chief,	Lawrence C. Rising
Evacuation Chairman,	William J. Miller
Chief, Emergency Medical Service,	Edward H. Hamp
Blackout Warden,	Dr. Willey H. Norton
	Fletcher S. Pillsbury

Defense Headquarters for the town during an emergency will be at the Andover Fire Station, with a second local headquarters for the east end at the East Andover Fire Station at Alvin S. Hawes'.

Two warning systems have been set up for the town, one centered at Andover and the other at East Andover. In both halves of the town volunteers have been assigned duties as air raid wardens, auxiliary policemen and auxiliary firemen in their local territories, to the end that every family in town will be warned in the event of trouble and covered by someone who will be trained so far as possible to handle the emergencies which may arise.

The east end will be warned by a series of short rings on the East Andover church bell, by messengers sent out to cover certain routes, and by telephone from the fire station.

In Andover Village the Proctor Academy or Public School bell (or both) will sound a similar warning, and the whole west half of the town will be covered by messengers and telephone warnings.

When these warning bells are heard at any time after dark the general public should see that all outside lights are extinguished and homes blacked out as quickly as possible, without waiting for a further warning from the air raid wardens.

An Airplane Observation Post has been set up at the Andover Fire Station, manned twenty-four hours a day by local volunteers from all parts of the town. Chief Observer is Harley Hopkins. Still more volunteers can be used for this service, both men and women.

## TOWN WARRANT

### THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Andover in the County of Merrimack, in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at the Town Hall in said Andover on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. (Estimate \$2500)

3. To raise and appropriate money for highways and bridges under the following items:

- a. General town road maintenance (Estimate \$4000).
- b. Town Road Aid (\$647.50 to match \$2590.01 from State).
- c. Blacktop and calcium chloride (Estimate \$2400).
- d. Street lighting (Present service \$635).
- e. Street lighting, Flaghole District (6 lights, \$108.00).

4. To raise and appropriate money for the protection of persons and property under the following items:

- a. Police department and tramps (Estimate \$100).
- b. Fire department (Estimate \$250).
- c. Payments to precincts for fire protection purposes. (Suggested \$250 to each precinct as in 1941.)
- d. Civilian defense, to be allocated under the headings of Police, Fire Protection and Public Health as required. (Recommended \$500, the same figure as in 1941.)

5. To raise and appropriate money for care of the cemeteries. (Recommend \$125, a \$25 increase over 1941.)

6. To raise and appropriate money for Memorial Day.

7. To raise and appropriate money for the use of the town libraries.

8. To raise and appropriate money for defraying the expenses of the town health department, including vital statistics (Estimate \$1400).

9. To raise and appropriate money for taking care of the poor, which also includes old age assistance and soldiers' aid (Estimate \$3900).

10. To see if the town will vote to raise and appropriate the sum of \$400 for the control of white pine blister rust.

11. To see if the town will vote to raise and appropriate the sum of \$100 for the Dartmouth-Lake Sunapee Region.

12. To see if the town will authorize the selectmen to borrow money in anticipation of taxes.

13. To see if the town will vote to continue the practice of plowing out private driveways at the rate of \$2.00 per year in advance.

14. To see if the town will vote to raise and appropriate the sum of \$1,611.06 to eliminate the present net indebtedness of the town.

15. To see if the town will vote to confirm the appointments made by the selectmen to the committee of the Andover Public Health Association, or to elect others in their stead.

16. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this eleventh day of February in the year of our Lord nineteen hundred and forty-two.

RALPH G. CHAFFEE,

FRED E. EMERSON,

HENRY W. PILLSBURY,

Selectmen of Andover.

Note: As the Town Report goes to press at an early date, additional articles may legally be added to the posted warrants up to Feb. 23rd, which would not be included in the above.

## Selectmen's Summary and Recommendations

The year just ended has brought many changes. We are now part of a nation at war. As such we must adjust local planning, not only for the year ahead but for a much longer period of future time, to meet the changing conditions and the new demands upon our man power, our pocketbooks and our equipment which will be inevitable. While necessary services must go on as usual, in some cases be even increased, it would seem wise to omit every unnecessary expenditure.

Andover is, today, in a healthy financial position. Its net town indebtedness of \$1,611.06 is a little less than one-half that of one year ago, and should be eliminated entirely during the coming year. In more normal times it would be possible to drop the 1942 tax rate below the \$30.00 level of the past three years. Actually, however, outside revenues from automobile permit fees and special taxes collected by the state are declining. It is likely that the return from automobile registrations in particular will be considerably less in 1942.

Allowance for these revenue losses is made in the 1942 budget, and we feel that all necessary appropriations contemplated in the town and school warrants can be covered by the same \$30 tax rate in 1942, including the elimination of the remaining debt.

**Town Government.** The town hall was given two coats of white paint during the summer at an approximate cost of \$220. It will probably be necessary to put off for the present the new heating system which was suggested and discussed at the last town meeting.

A new fireproof safe was purchased for \$200 and installed in the office of the town clerk.

After making allowances for the added expenses of the election year ahead we recommend an appropriation of \$2500 for town charges, a reduction of \$500 from last year.

We were much pleased to receive from the University of New Hampshire a certificate to the effect that the last Andover Town Report was awarded first place in Class V in a contest conducted by its Bureau of Government Research.

**Roads.** Expenditures for highway maintenance were about normal during the year, with no floods or particularly severe storms to drain accounts. The moderate highway overdraft was handled from unexpended balances in other accounts.

T. R. A. funds were applied in the rebuilding of the Beech Hill road, to provide a wider and safer outlet for Bradley Lake summer traffic.

A part of the blacktop appropriation was used in purchasing asphalt rather than tar for some of our surfaced roads. A study of these roads after the spring break-up should give a good idea of the relative merits of these two materials on our local roads. The \$350 overdraft on this account was caused by the failure of both tar and asphalt cars to arrive on their scheduled delivery dates. Due to heavy showers it was necessary to put out extra sand several times during the waiting period. Because of the war it is difficult to estimate the probable cost and availability of tar, asphalt and calcium during the coming summer. We believe that the same sum of \$2400 should again be appropriated and made to go as far as it will on our road system.

**Street Lights.** The following petition dated July 19, 1941, was presented to your selectmen, carrying the signatures of 103 citizens of the town:

"The Public Service Company of New Hampshire has agreed to build an electric line to give service to residents of the Flaghole District on the basis of a five-year guarantee of use by those served. To enable these townspeople to obtain electricity at a reasonable cost it has been suggested that the Town of Andover aid them by agreeing to pay for six street lights in that area at a cost of \$9.00 per month for the 5-year period.

"We, the undersigned, hereby petition the Selectmen to incorporate this proposal in an article in the 1942 town meeting warrant, and agree to support such an article."

On the strength of the support given this petition the Public Service Company proceeded with the extension of its lines, and the Flaghole District now has electric service. Article 3 (c) in the warrant calls for a vote on the street light proposal.

**Fire Protection.** Last year \$250 was voted to each of our precincts for fire fighting equipment, with \$100 additional to the Andover precinct for purchasing small hose. During the year the East Andover precinct purchased and has installed in the church belfry a new 2½ H. P. electric siren, designed to give better fire warning in that district. The Citizens' Fire Company has added 500 ft. of 1½ in. hose to its equipment. We now have 1700 ft. of this small hose in town, which can be used to run several lines from each booster pump or combined to run a longer line for forest fire purposes from East Andover's portable pumper.

During the year the service rendered by the two fire companies was about evenly divided between precinct and outside-precinct fires. A large part of the expenditures listed for fighting forest fires in the itemized part of this report covered the services of Andover citizens at the Danbury-Grafton-Wilmot fire last summer, which was later refunded by those towns through the state.

We recommend a continuation of the \$250 appropriations for the use of the precincts.

**Cemeteries.** Last October a careful inspection of all the cemeteries in town was made by the selectmen and one of the cemetery trustees. These include the two main and currently used burial grounds at Andover and East Andover, thirteen older and smaller cemeteries in various parts of the town, and two or three scattered private plots.

We found much work which should be done, particularly in the older lots, in the way of trimming trees, removing bushes, leveling sunken graves and setting up tilting monuments. If labor is available we believe that a crew should be sent out next summer to perform as much of this work as possible. A cemetery appropriation of \$125 is recommended for 1942.

**Town Poor.** The amount paid by the town for old age assistance continues to rise, and amounted to \$1,617.10 during the past year. Other relief decreased, and the \$4000 appropriated was more than was needed to cover expenditures. We recommend the appropriation of \$3900 for the current year, a reduction of \$100.

**Appointments.** The State Board of Health has confirmed the appointment of Dr. Willey H. Norton as town health officer. Prior to his appointment Miss Alice M. Kennedy served in a temporary capacity.

The Andover Health Association committee was reduced to three members, one of whom was inactive, and your selectmen appointed four new members last December to bring the committee up to full strength. The new appointees are

Mrs. Cordelia Graves

Mrs. Bernice Powers

Mrs. Helen C. Phelps

Mrs. Emma M. Kilburn

The old members of the committee are Miss Elizabeth Dodge, Chairman, Mrs. Stella Thompson and Mrs. Anna Belle Woodward. We are sorry to lose the services of Miss Alice Kennedy as District Nurse after her marriage to Mr. French of Tilton, and it will be one of the jobs of this committee to select her successor.

Mrs. Eula C. Frost was appointed to serve on the Library Committee upon the resignation of Miss Edith Bean.

**Looking Ahead.** This brings us back to the opening paragraph of this summary. At present the war effort is first in all our minds. The projects we have been listing under "Looking Ahead" are just as desirable as ever, but farther away. It may be that some of them, at least, may be carried out and serve a useful double purpose in taking up a slack in employment in the period of re-adjustment after the war is won.

At the 1941 town meeting it was voted that the selectmen be authorized to raise and appropriate for the reduction of the town's indebtedness whatever sum they might determine could be so raised and appropriated after the 1942 inventory had been taken and the school appropriations voted. This sum was later estimated at \$1,500, and this amount included in the 1941 appropriations.

The summary of the year's business shows that this amount was somewhat exceeded, and the indebtedness actually reduced \$1724.18.

## REPORT OF CHARLES E. CURRIER

### FOREST FIRE WARDEN

---

As Forest Fire Warden of the Town of Andover for the year ending January 31, 1942, I submit the following report :

In the past year the town has been very fortunate in having had no serious forest fires as compared with those in some previous years. I appreciate the interest everyone has shown in the prevention of such fires.

The town is well equipped now with fire fighting tools, most of which are in the care of the two precinct fire fighting companies. The following is a list of such tools owned by the town, or available for its use :

#### Owned by town :

16 knapsack pumps	4 crosscut saws
41 shovels	4 saw wedges
12 mattocks (Hazel hoes)	4 canteens
12 axes	36 water pails
12 council tools (fire rakes)	24 lanterns
8 Pulaski tools	14 wire brooms

#### Owned by precincts :

1 portable pump (East Andover)  
1200 feet 1½ inch hose (East Andover)  
500 feet 1½ inch hose (Andover)

It is recommended that the following additional equipment be purchased ; at a total estimated cost to the town of \$25.00 :

5 knapsack pumps  
2 flame throwers

Also that \$25.00 be made available to purchase tools and equipment which may become broken, worn out or lost.

A summary of fire fighting costs appears in the Selectmen's report.

Number of fire permits issued,	54
Number of forest fire reports,	5
Number of actual forest fires,	4
Number of investigations only,	1
Estimated acreage burned over,	3.6

Due to poor health I have submitted my resignation as Forest Fire Warden. I know that the townspeople and summer visitors will show their excellent cooperation with the next warden as faithfully as they have done toward me.

CHARLES E. CURRIER,

Forest Fire Warden.

Selectmen's Note: Fred E. Emerson will succeed Charles E. Currier as Forest Fire Warden, and in the future permits for burning will be issued by him.

---

There are 24 private cottages on the Ragged Mt. Fish & Game Club land, assessed at \$32,850.

## REPORT OF ANDOVER TOWN LIBRARY

It was voted at the March town meeting, 1941, to use the street floor of the F. N. Ward house for a Library at the east end of the town.

This comprises three rooms which will be used for Library, Reading room and the N. J. Bachelder Est., Library. In September work was started to put these rooms in condition for use by Trustee, Mrs. Georgia A. Dodge with as little expense in labor as possible.

With the help of school children and others the books were moved; cleaning, painting and repair work done.

The new quarters are a great improvement over the old. The room that is finished and now in use, is done in buff and white. The Bachelder and reading room have still much to be done in the spring.

The loan of chairs, table and stove is much appreciated, also the book cases made by the Andover High School through Mr. George Corson.

The Library was opened to the public on Saturday, September 27th, 1941.

We are grateful to the Bookmobile circulation of books every two months.

Two large framed pictures have been given, one of Ex-Gov. N. J. Bachelder by Mrs. Lillian Flanders, and one of Mrs. N. J. Bachelder by her daughter, Ruth.

During the year there have been over 150 different patrons and the weekly outgo of books and periodicals is between 40 and 50.

The Librarian will be glad to meet any interested townspeople at the Library any Saturday afternoon, so they may see what has been done.

A great many books have been donated during the year by Dr. and Mrs. E. J. Scannell, Kenneth Rayno from the W. A. Richardson Est., Mr. and Mrs. W. J. Heath, Mr. and Mrs. W. O. Fish and Mr. James A. Kenney, Comptroller of the Boston City Library, who has in the past years given several hundred books to this Library.

GEORGIA A. DODGE, Trustee,

EULA C. FROST, Trustee.

In February and September, examinations were made of High School, grammar and primary pupils, and primary and grammar pupils weighed every school month.

Sixty-seven patients were taken to Franklin dentists; 40 of these were school children, work being done at clinic prices. The Nursing Association paid \$13.50 towards this work.

Twelve dollars' worth of cod liver oil is being given to undernourished or worthy cases.

Two pupils were taken to the Laconia T. B. clinic.

Ten patients were taken to Franklin, New London, Concord and Hanover Hospitals for X-rays or treatment.

Thirteen patients were taken to Laconia, Concord and Franklin oculists for examination and glasses. Ten of these were school children.

Two pupils were taken to Franklin Hospital Tonsil clinic for operation.

Six trips were made to Concord Cancer Clinic with patients and one to Manchester Cancer Clinic.

Thirty-one patients were taken to out of town doctors and the local doctor. Fifteen of these were children.

Visits were made to Dr. Stone's Clinic in Manchester and Dr. Philbrook's Clinic in Concord with a pupil.

The nurse has attended three State Nurses' conventions, a School Nurses' meeting in Concord and two all-day sessions of the Eye Institute held in Concord in September.

The cooperation and support of the Andover Nursing board, the Selectmen, the teaching staff, the financial aid of the local Chapter of the American Red Cross, and the use of the Blackwater Grange Hall has been greatly appreciated. I wish to thank everyone who has in any way been an inspiration and help to me in my work since I have been in Andover.

Respectfully submitted,

ALICE M. FRENCH, R. N.

The schools will be closed on Armistice Day, Thanksgiving Day and the day after, and Memorial Day.

Attendance at the State Teachers' Convention is advised, and at the two Institutes, required. Days spent in attendance at the two Institutes and one day at the State Teachers' Convention will be considered as spent in the service of the District.

The morning session of the elementary schools will be from nine o'clock until twelve o'clock, and the afternoon session from one o'clock until four o'clock. Teachers should arrange their time tables so that the formal work of the day is over at three-thirty, and use the remaining time until four o'clock for individual help. Beginning December 1 and continuing until March 1, school will close at three-thirty.

Elementary teachers should arrive at the school building not later than eight-thirty in the morning, and in cold or inclement weather such pupils as wish should be allowed to enter at eight-thirty. A teacher should be on duty in each building during the noon hour.

No pupil is allowed to enter the first grade for the first time unless he will be six years old on the first day of March following the opening of school in September.
